

Minneapolis Heart Institute Foundation Cardiovascular Grand Rounds

Title: Acute Aortic Syndromes: State of the Art
Faculty: Kim Eagle, MD
Albion Walter Hewlett Professor of Internal Medicine
Director, Frankel Cardiovascular Center
Professor of Health Management & Policy, School of Public Health
University of Michigan
Date: November 17, 2025 **Time:** 7:00 – 8:00 AM
Location: Minneapolis Heart Institute Building, Suite 100, MHIF Learning Center
Webinar – visit www.mplsheart.org/grandrounds **for login information**

OVERVIEW/PURPOSE STATEMENT

MHIF Cardiovascular Grand Rounds provides physicians and other health care providers the opportunity to review and discuss the latest developments in cardiovascular care.

OVERALL OBJECTIVES

At the completion of this activity, the participants should better be able to:

1. Understand current presentation, management and outcomes in acute aortic dissection.
2. Understand the current diagnostic and therapeutic approach to aortic dissection including limitations of each modality.
3. Understand how genetics, biomarkers, and imaging are changing the field.

DISCLOSURE POLICY

Allina Health, Office of Accreditation intends to provide balance, independence, objectivity, and scientific rigor in all of its educational activities. The ACCME defines an ineligible company as “any entity” whose primary business is producing, marketing, re-selling, or distributing health care products/services used by or on patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests - unless the provider of clinical service is owned, or controlled by, an ACCME-defined ineligible company. All faculty and planners participating in the CME activity are required to disclose to the audience any relevant financial relationships with ineligible companies that have existed WITHIN THE LAST 24 MONTHS, even if it has now ended and all relevant financial relationships will go through a mitigation process.
